~The Sunday school project for the summer quarter (June, July, August) will be for Water Street Ministries. In addition to children's offerings, adults may contribute by marking your check or giving envelope "S.S. Project" and it will be credited to that project.

Water Street Mission Statement: Our purpose is to advance the kingdom of God through the gospel of Jesus Christ and do missionary, relief, and rescue work of all kinds.

Water Street Ministries History: Since 1905, the Water Street Mission (located at 210 S. Prince Street, Lancaster) has been providing rescue and renewal for homeless men, women and children. They serve the homeless and hungry of Lancaster County, PA with the goal to provide comprehensive support to individuals who find themselves in the traumatic crisis of homelessness. They facilitate life change by providing stable shelter, three meals a day and connecting guests with behavioral health support through Christian counseling, medical and dental care, and career support services. The vision for each individual is to guide him or her out of the lifestyle that led to a state of homelessness, and into meeting his or her need for food and shelter. With a Christian worldview based on biblical truths, we are changing one life at a time.

~Thirty-six people who submitted slips before or during the June business meeting affirmed the new persons who will join the existing Leadership Team. New positions begin in September. Thanks for your continued prayer support and efforts on behalf of the life of our congregation and the community
~Neil Reinford, Congregational chair

~Parent & Preschool Center Needs:

- 1) Volunteers for child care during Connections on Tuesday mornings (8:50 – 11:00) from September through April. You do not need to commit to every week; just one or two mornings during the school year would be a big help. We would also appreciate if you could put your name on our substitute list.
- 2) A Staff Person to teach the Four and Five Year Old Class during Connections on a Tuesday morning. This is a weekly paid position and the teacher is in charge of planning Bible Stories and Crafts and supervising playtime. For more information about either of these opportunities, please call the Parent and Preschool Office. 397-5717.
- 3) A working VCR and DVD Players or VCR/DVD Combo Player. Call the Preschool office. Thanks!
